

A black steam locomotive with red accents, labeled 'GYMPIE' on its front, is pulling a red passenger car. The train is on a track surrounded by lush green trees and purple flowers. The locomotive has 'CLASS C17' written on its side.

MARY VALLEY RATTLER

Get On Board the Rattler!

Mary Valley Rattler
Sponsorship Opportunities

THE RATTLER RAILWAY COMPANY

The Rattler Railway Company, trading as Mary Valley Rattler, is a not for profit organisation overseen by a voluntary Board of Directors and a small team dedicated to getting the Mary Valley Rattler back on track.

The Rattler Railway Company was established in 2014, following an agreement between Gympie Regional Council and the Queensland Government to bring the historic fleet of trains back to life for the enjoyment and benefit of the local community and visitors to the Gympie region.

Once completed, The Mary Valley Rattler railway experience will travel between the

historic Gympie Station and Amamoor Station via Dagon.

More than just a train ride, the Mary Rattler will be an experience to treasure, showcasing the beauty of the Mary Valley and the fascinating history of the Gympie region.

The historic Gympie Station has been fully restored with a brand new café/restaurant, museum and gift shop.

We invite you to be part of the Mary Valley Rattler journey and invest in this once in a lifetime opportunity as one of our inaugural sponsors for the 2018/2019 year. You can be a valued sponsor in a number of ways!
